

STRAWBERRIES

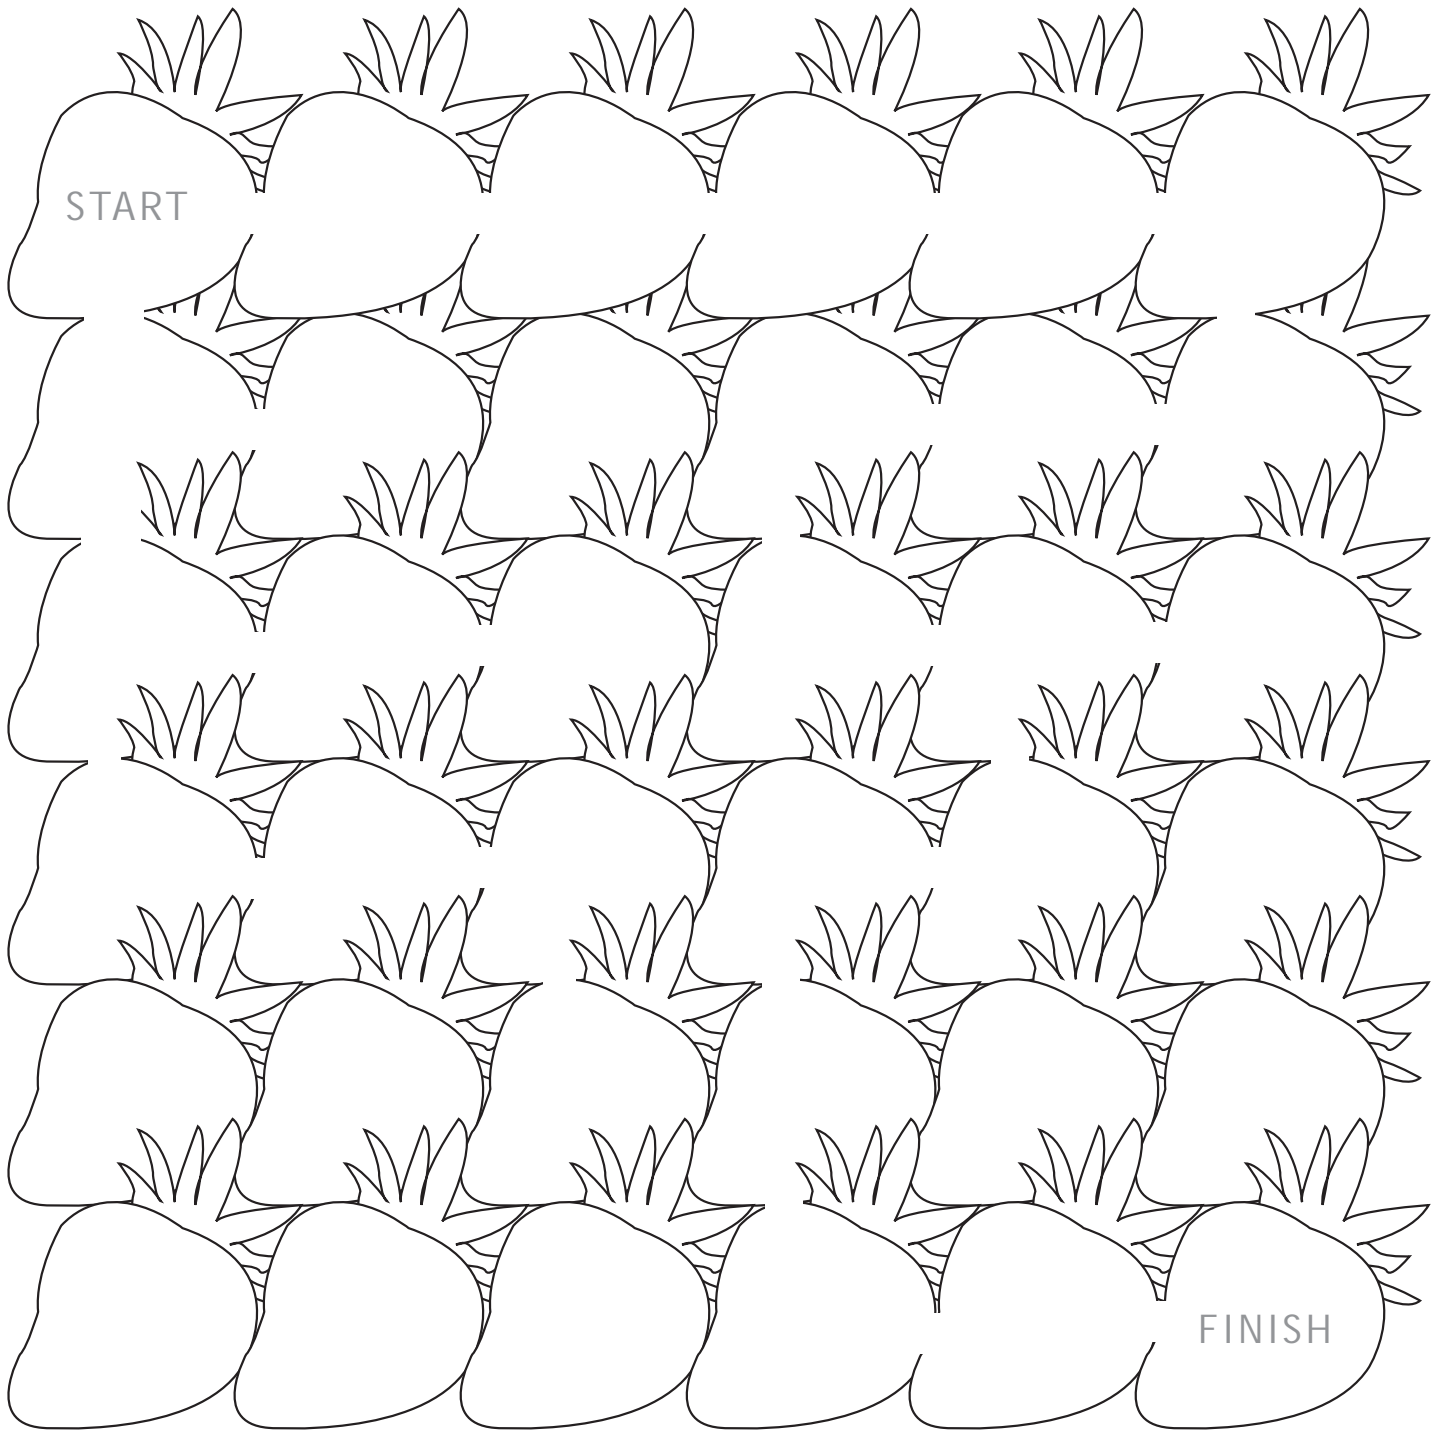

Strawberries are fruit. Spring marks the height of the Louisiana strawberry season, although they are available from November through May.

Strawberries are the No. 1 fruit crop in Louisiana. Tangipahoa Parish is the state's leader in strawberry production.

Good for You: Strawberries are high in fiber and vitamin C. Ounce for ounce, strawberries have more vitamin C than citrus fruit.

Louisiana Value: \$15 million

Strawberry Maze

Can you find your way through the strawberry maze? Begin at "START" and end at "FINISH" without crossing over any lines.
